 vs) Opium in possession
)
)
Asiu ch))

Sworn by L.H. Stolz, Ani for interpreter.

M. Kahele.

My name is M. Kahele, I searched for opium yesterday at Asiu's place, he is the deft. I and some others with me, they were Pilipo Holi and Muawa, the opium was found in deft's room, I was the officer who searched it and found all these, the scale and ab box were in the drawer of the table and 3 tins were found under the house. No man can enter the house from outside but from under the house, another chinaman was also in the house, he also had opium, when I entered, deft was standing by his bed. Meeawa was the first to enter and got hold of a chinaman whose name I do not know, I heard that Asiu and his brother are the owners of the house.

Pilipo Holi.

My name is P.H. reside at Waimea - Myself another officer and the Deputy Sheriff went out searching opium on the 2nd of Aug. (the other officers were Lui and Manase) - we found the opium at Asiu's house at Puulima right under Asiu's bed - I went there by order of the officers - Manase searched and found this opium - Meeawa was the first to enter - when I entered there was no opium found then and deft was sitting on his bed then, he himself said that that was his bed - Manase entered before I did there were 3 beds in that room - I understood that the opium be-

longs to deft because it was found under his bed - I did not know where the opium was hidden but I saw it when it was produced by Manase.

Pros.rests.

Asam.

My name is Asam, reside at Waimea - saw deft yesterday - saw Stolz, Manase and others at Asiu's house - they went there in search of opium - saw that the opium was found and the same belong belongs to me - these 3 tins and jug belong to me and Awong and not to Asiu - one tin costs \$21. and two cost \$42. - I worked for Aisu at \$1. per day- the jug and the scale were in the drawer of the table and the 3 tins of opium were under the house.

Awong.

My name is Awong, reside at Waimea - know deft - saw Stolz at deft's house yesterday - they went there to search opium and they found it - I saw when they got hold of the opium - it belongs to Asam and myself and not to deft. This opium was at the Waimea bridge - there were 3 tins altogether each costs \$21. they were hidden under the house by myself - 2 tins belong to Asam, he stowed the jug and the scale in the drawer - the opium was under Asiu's bed.

By the Court.

Deft found guilty and sentenced to pay a fine of \$100. and \$3.40 costs. Deft. noted appeal to the Jury, Feb. Term 1892 costs paid amounting to \$4.40
